Project Title
 (Character count: x)

Project start date Project end date

Capacity building or technical assistance = activities that would build the infrastructure or sustainability of an organization (such as board training, building a strategic plan, creating a development plan, etc.)
 Capital or 'brick and mortar' requests = includes things such as building renovation and construction, equipment purchases, and computer technology (usually is a depreciable item on the financial statements)
 Program = Expenses directly associated with a program of the organization
 General = Overall support for the organization that can include salaries, overhead, etc.
 Research = Funding for scientific research
 Student Aid = Funding that would be allocated for some type of student aid such as scholarships
 Other = Any request that does not fit into the above categories

Type of support requested

One short sentence describing how the requested funds will be used.

Text input field with up/down arrows on the right side.

(Character count: x)

Brief summary of the funding request

Text input field with up/down arrows on the right side.

(Characters left: x)

What is the target population of the project/who are the clients who will be served by the project?

Text input field with up/down arrows on the right side.

(Characters left: x)

Out of region = Outside of the top 26 counties in the Texas Panhandle
Regional = Serves all (or the majority) of the top 26 counties in the Texas Panhandle
Rural = Serves a rural county (any county outside of Potter/Randall) or a handful of rural counties
Local = Potter/Randall

What service area will this project serve?

Please click on a county and then push and hold the Ctrl button to select another county.
Please check off the counties this project will serve.
